MEMORANDUM FOR THE RECORD

SUBJECT: State Draft Views Letter on S. 1972 - Military Aid  
to UNITA: Conveying Agency Views to OMB

1. On March 3, 1986, I called Ron Peterson, Chief, Resources, Defense, International Branch, Legislative Reference Division, Office of Management and Budget.

2. I informed him that the Agency had no objection, and in fact deferred, to the position expressed by the Department of State in its views letter on S. 1972, a bill authorizing military assistance to UNITA. This was based on the fact that as of 2 March 1986, no Agency component had objected to the letter.
